

7 • Completing Your Installation With a Light Fixture (Continued)

Installing the Bowl

- 7-5. Install 1 Max 40 Watt Circline bulb (included) into spring clamps.
- 7-6. Connect the circline bulb.
- 7-7. Lift the globe up to the light kit top housing. Align the three bolts on the globe with the three slots in the light kit top housing.
- 7-8. Rotate the globe clockwise until tight.
